Lord , my heart desire
Is to have more of you
Cause your love is better than life
And I just can't have enough
And I'm here for you today
Just to say that I love you
And I want more and more of you
Lord I want more and more of you

You see, I'm desperate, Lord
Like a deer pants for water
So my soul longs for you
Cause there's no one else like you
Lord I know that you know
That I'm desperate for you
Lord I long to hear your voice
I long to see your face

Fill my cup Lord,
Fill me up
Pour your Spirit
Upon on me
Fill me till I overflow
Fill my cup,
Fill me up

Fill my cup Lord,
Fill me up
Pour your Spirit
Upon on me
Fill me till I overflow
Fill my cup,
Fill me up

Lord, I open up
For the fountain of your love
To fill my heart with love
Cause I just can't have enough
Yes-ter-day is gone
And today I need you more
So fill me with your love
And let me overflow

Fill my cup Lord,
Fill me up
Pour your Spirit
Upon on me
Fill me till I overflow
Fill my cup,
Fill me up

Fill my cup Lord,
Fill me up
Pour your Spirit
Upon on me
Fill me till I overflow
Fill my cup,
Fill me up

Bridge
Lord I want to see your power
I want to see your glory
In this sanc-tu-ary
Lord I want to see your power
I want to see your glory
Like you did in days before
Lord do it like never before

Lord, I want to see your power
I want to see your glory
In this sanc-tu-ary
Lord I want to see your power
I want to see your glory
Like you did in days before
Lord do it like never before

Fill my cup Lord,
Fill me up
Pour your Spirit
Upon me
Fill me till I overflow
Fill my cup,
Fill me up

Fill my cup Lord,
Fill me up
Pour your Spirit
Fresh on me
Fill me till I overflow
Fill my cup,
Fill me up

And I'm here for you today
Just to say that I love you
And I want more of you
Lord I want more of you
